Kansas City, Mo. - Celebrating the region's top commercial real estate developments, the Kansas City Business Journal has released its Capstone Award winners for the past year. Many involve the planning, architectural and interior design expertise of 360 Architecture.

The Capstone Awards evaluate projects using criteria from aesthetics to community impact, from infrastructure to sustainability. 360 Architecture won for:

- + JE Dunn Construction Headquarters* and Synergy Services, in the architectural design category
- + Faultless Starch/Bon Ami Headquarters, in the office category

"Kansas City is seeing positive commercial real estate development despite the recession," said Erika Moody, principal at 360 Architecture. "It is an honor to be part of this work, and team with our clients and project team partners on such quality projects."

The Kansas City Business Journal will honor the winning projects April 1 at an awards luncheon at the Overland Park Sheraton.

* JE Dunn Construction Headquarters was a 360/BNIM project.

360 Architecture is an innovative architectural practice widely recognized for excellence in planning, design and execution across a wide range of project types, including corporate and commercial office buildings, sports arenas and stadiums, mixed-use districts, recreation centers, residences, restaurants and municipal facilities. 360 Architecture is headquartered in Kansas City, Missouri and has offices in Dallas, San Francisco, and Columbus.
