Kansas City, MO - AMC Entertainment, the nation's second-largest movie theater chain, has selected 360 Architecture to design its new home office in Leawood, Kansas.

The four-story, 130,000 square-foot office building will have an open-office plan uniquely tailored to the company's plans for growth and its vision for driving innovation in the retail entertainment experience.

360 Architecture is an innovative architectural practice widely recognized for excellence in planning, design and execution across a wide range of project types, including corporate and commercial office buildings, sports arenas and stadiums, mixed-use districts, recreation centers, residences, restaurants and municipal facilities. 360 Architecture is headquartered in Kansas City, Missouri and has offices in San Francisco and Columbus.
